Wow your family and friends with TV viewing to the max with the WALL 1345 LED/LCD/Plasma wall mount. When you want the utmost viewing flexibility in the living room, home cinema and bedroom. Ideal for mounting your flat screen TV around a corner or in a cupboard. It extends out from the wall, turns up to 180 degrees (90 degrees left and 90 degrees right) and tilts your screen 10 degrees forwards and backwards. This mount is part of the Vogel's TURN products.

WALL 1345 BLACK LED/LCD/Plasma wall mount

mm/inch

Watch the big game on the big screen in your living room and give everyone the best seat in the house. Or screen a new movie with friends in your home cinema and give everyone a great view. Put your LED/LCD/Plasma TV around a corner or next to your bed and watch your favourite show in luxury. Turn the screen to the right and left and tilt it forward and backward so you always have a great view. Cables are easily guided to prevent damage. This wall mount extends up to 53 cm (20.9 inch) and provides secure support for up to 45 kg (99 lbs). It comes in black and silver and is suitable for screen sizes of 32 to 55 inch (81 to 140 cm).
